

Century Band Boosters  
Board Meeting Minutes  
June 5th, 2024

## **Budget**

We went over the budget. Discussed the differences and we voted to pass the Budget.

We fundraise for the bulk of our staff wages. Many other programs get more money from their district. We get one colorguard stipend for \$1200. We get one assistant band director if we have over 100 students, we get \$2400. Our total staff stipend from the school district is \$3600.

We do include the whole band. Some of the money goes towards other things, such as the Jazz bands. Bringing in additional help to run the 2nd Jazz band. Concert band get a little as well.

We are looking forward to a great year coming up.

We will present the budget to the parents next week on 6/11/24.

## **Band and Colorguard Handbook**

Contract for Marching Band Marching band fee is \$550.00. \$400 due by the end of Fall Season (Broken down into 3 payments) and the other \$150 can be worked off with volunteer points or is due by the end of March. If you quit after you sign the contract there will be a penalty. After Marching band starts and you quit there will be a bigger penalty because it costs us money to rewrite the show.

The adult piece (volunteer hours) We will bill for this at the beginning of the year and once it has been worked off it can be written off. This will be written into the contract also. The point with the adult part is to get the parents to come to the meetings and sign up to volunteer with fundraisers.

The board will be updating the handbook in August. We will only have one handbook with all the financial costs for fall and winter. We also want to get the students input about wanting away camp or away parade.

## **Parent involvement**

We need to get more parents involved. Meeting with new incoming parents earlier than September so they know all the opportunities.

## **Committees**

In August we will discuss committees, the handbook, Board positions/Duties.
